

The student can apply for the exemption from compulsory language studies if:

- the language in question is the student's mother tongue
- the student has never studied the language before or has insufficient basic knowledge in it
- the student has a moderate or advanced dyslexia, dysphasia or other severe learning difficulties

A statement from an expert required.

The student must complete other studies to compensate the exempted amount of credits. The filled-in form is submitted to the Student Affairs Office.
